

A fishing adventure in Nicaragua!

Take a week off, and join us for a fantastic fishing experience in "your secret paradise"!

The word is out that the Pacific coast of Nicaragua is the place to go in Central America for big game fishing. Couple that with a world class hotel, marina and fantastic restaurant, and you've got a recipe for a great vacation.

Bring your friends and/or family for great action on the water. Near shore fishing can bring snapper, bonito, jack crevalle, sierra mackerel and rooster fish. Offshore roam the big game: marlin, sailfish, yellowfin, wahoo and dorado.

The beautiful hotel includes 19 spacious suites with pools, yacht club, restaurant, bar, and beach club house!
